Attachment: Replacement Sheets

Remarks

Applicants have amended the application to include related patent application data and to add a reference to FIGURE 37C in the specification. With respect to the section to be amended with the related patent application data, Applicants have referred to the page and line number of the preliminary amendment to the specification filed on June 7, 2001.

Applicants have also amended drawing pages 1 of 40 and 2 of 40 to address an inconsistency between the drawings and the specification.

No new matter has been introduced by these amendments. Applicants kindly request that the amendment be entered and the application pass to issue.

Respectfully submitted,

Daryl L. Champagne, et al.
